

REFLECTIVE ADDRESS SIGNS

**Properly displayed house numbers allow emergency personnel to
RESPOND MORE QUICKLY to an emergency!**

Grand Haven Township Fire/Rescue is encouraging all residents to properly display their address. To assist the residents, the township can take orders and create reflective green address signs that can be displayed near the street. The signs may be displayed on a pre-existing mailbox or on a post near the end of your driveway, visible from the street. The address sign cannot be mounted on a pole that resembles a street sign.

If your mailbox does not sit on the same property as your house (i.e. across the street) or is clustered together with several other mailboxes, it is suggested that your new sign be installed on a post near the end of your driveway, visible from the street.
