RE: Street Light SAD – Bonita Ct- 2nd Public Hearing

At the September 26th, 2022 Township Board meeting, a SAD petition request to install a streetlight on Bonita Ct was received and accepted.

The Board opened the first public hearing on October 10th, 2022 (i.e. hearing of Necessity), which established the proposed district (map attached), provided a tentative cost estimate of $301.20, directed the creation of the Special Assessment District Roll and heard any objections to the proposed district. The Board scheduled the 2nd public hearing for October 24th, 2022.

The second hearing held tonight (i.e. Hearing of Assessment), is held to establish the actual assessment of each of the property owners benefiting from the improvement (Assessment Roll attached).

The first attached resolution 22-10-02 confirms that a second public hearing was held, specifies the parcels benefiting, that property owners were notified, and confirmed that an assessment roll of $301.20 was prepared and made available.

The second attached resolution 22-10-03 approves the special assessment roll and establishes a per parcel cost to be assessed.

If the Board agrees, the following motion can be offered:

Move to approve and adopt Resolution 22-10-02 that affirms the creation of the special assessment roll of the Bonita Ct Streetlight special assessment district with costs being assessed to the benefiting property owners.

Move to approve and adopt Resolution 22-10-03 that affirms the assessment roll of the Bonita Ct streetlight Special Assessment District at a cost of 43.03 per parcel.

Please contact Cargo or Larrison if you have any questions or comments.
